I want to become a patron of the following species:

Catalogue-No: \_\_\_\_\_

Genus: \_\_\_\_\_

Country: \_\_\_\_\_

I am interested in the following group(s) of organisms and would like to receive additional information about the possibilities to become a BIOPAT patron:

- |  |  |   |
|--|--|---|
| <input type="checkbox"/> butterflies     | <input type="checkbox"/> beetles           | <input type="checkbox"/> lizards & snakes |
| <input type="checkbox"/> frogs           | <input type="checkbox"/> spider & scorpion | <input type="checkbox"/> other insects    |
| <input type="checkbox"/> marine organism | <input type="checkbox"/> orchids           | <input type="checkbox"/> other plants     |
| <input type="checkbox"/> others:         |  |   |

In recognition of my donation of \_\_\_\_\_ EUR to the non-profit organisation BIOPAT, the specific name of the new species should be dedicated to the following person :

\_\_\_\_\_
